😊 English [en](#) / Italiano [it](#)

"The days are starting to get cold. What is the temperature?"

...

"Comincia a fare freddo. Che temperatura c'è?"

"I hope not. I really don't like bad weather, especially thunder and lightning. I'm afraid the lightning might strike me."

...

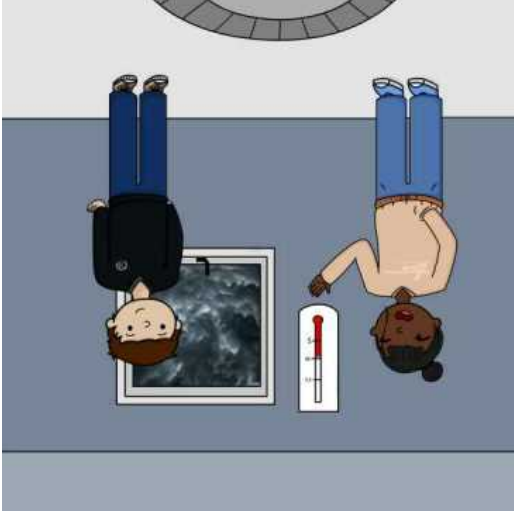

"Spero di no. Non mi piace il brutto tempo, specialmente i tuoni e i fulmini. Ho paura di essere colpito da un fulmine."

"Look at those dark clouds. Tomorrow it will rain. It will be very windy too. Perhaps there will be a storm."

...

"Guarda quelle nuvole scure. Domani pioverà. E ci sarà anche tanto vento. Forse ci sarà un temporale."

"It's nine degrees. It's still autumn, but soon it will be winter."

...

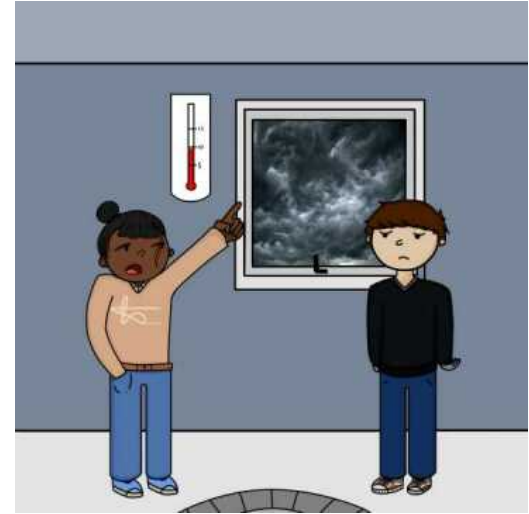

"Nove gradi. È ancora autunno, ma presto sarà inverno."

"I'm looking forward to spring, but I prefer summer, when it's nice and warm."

...

"Non vedo l'ora che arrivi la primavera, ma preferisco l'estate, quando il tempo è bello e caldo."

"I don't mind the cold. It's the rain and wind I don't like."

...

"Non m'importa del freddo. Ma pioggia e vento non mi piacciono."
