“Do you have any family?”

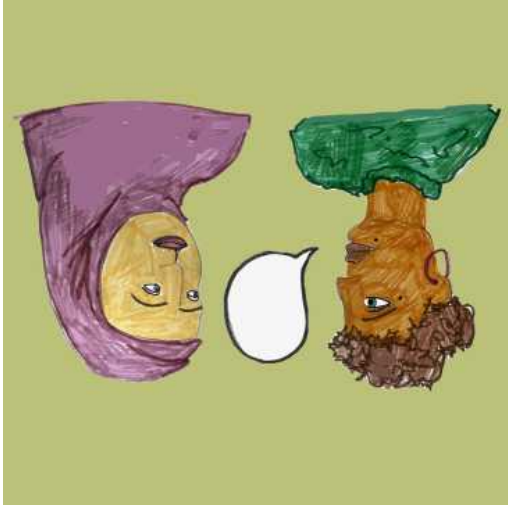

...

«Har du familie?»

“Yes, my husband and I have two daughters and a son.”

...

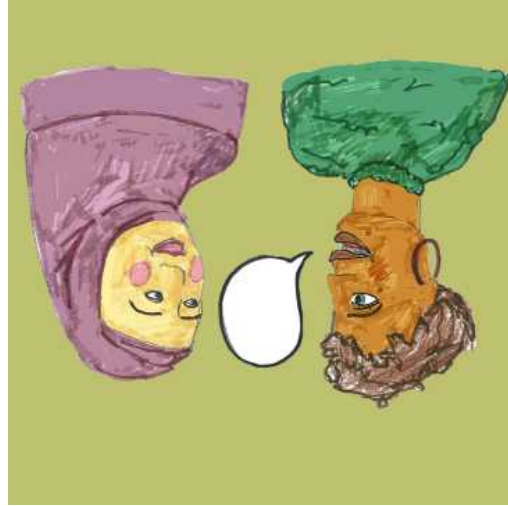

«Ja, mannen min og eg har to døtrer og ein son.»

“That’s a good idea. I also hope my children will go to university someday.”

...

«Det er ein god idé. Eg håper òg at barna mine vil byrje på universitetet etter kvart.»

"I also have two daughters, but I'm divorced."

...

«Eg har òg to døtrrer, men eg er skild.»

"He wants to get a job, but I tell him he should go to university instead."

...

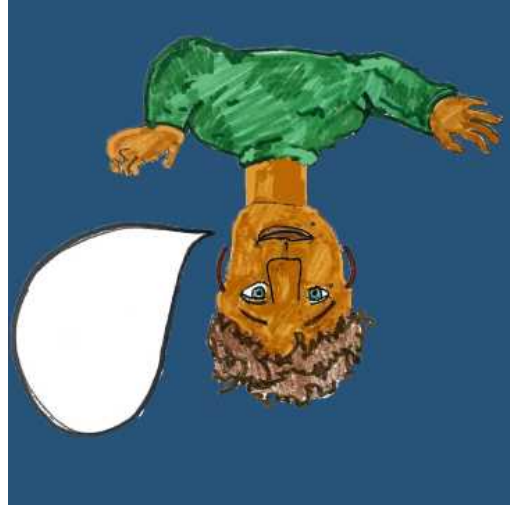

«Han vil få seg ein jobb, men eg seier til han at han burde byrje på universitetet i staden.»

“How old are your daughters?”

...

«kor gamle er døtrene dine?»

“That is great! They grow up so fast. What does he want to do afterwards?”

...

«Så fint! Dei veks så fort. Kva vil han gjere etter det?»

“Mina is four years old. She goes to preschool.
Miriam is ten, so she goes to school.”

...

«Mina er fire år. Ho går i barnehagen. Miriam er ti, så ho går på skulen.»

“All of my children are in school. My son will
graduate next year.”

...

«Alle barna mine går på skulen. Sonen min blir ferdig neste år.»
