🗨️ English en / nynorsk nn

“The days are starting to get cold. What is the temperature?”

...

«Det byrjar å bli kaldt no om dagen. Kor mange grader er det?»

“I hope not. I really don’t like bad weather, especially thunder and lightning. I’m afraid the lightning might strike me.”

...

«Eg håper ikkje det. Eg liker verkeleg ikkje uvêr, spesielt tore og lyn. Eg er redd lynet skal treffe meg.»

“It’s nine degrees. It’s still autumn, but soon it will be winter.”

...

«Det er ni grader. Det er framleis haust, men snart kjem vinteren.»

“Look at those dark clouds. Tomorrow it will rain. It will be very windy too. Perhaps there will be a storm.”

...

«Sjå på dei mørke skyene. I morgon blir det regn. Det skal blåse mykje òg. Kanskje det blir storm.»

"I'm looking forward to spring, but I prefer summer, when it's nice and warm."

...

«Eg gler meg til våren, men eg føretrekker sommaren, når det er godt og varmt.»

"I don't mind the cold. It's the rain and wind I don't like."

...

«Eg har ikkje noko imot kulda. Det er regnet og vinden eg ikkje liker.»
