Tom ima zubobolju. Zub ga baš jako boli.

...

Tom has a toothache. His tooth hurts very much.

“Hvala vam! Doviđenja.”

...

“Thank you! Goodbye.”

“If you need stronger medicine, you will need to get a prescription from your dentist or doctor.”

...

“Ako vam treba jači lek, moraćete da dobijete recept od vašeg stomatologa ili lekara.”

He needs to see his dentist, but first he needs something for the pain.

...

Mora da ode kod svog zubara, ali prvo mu treba nešto protiv bolova.

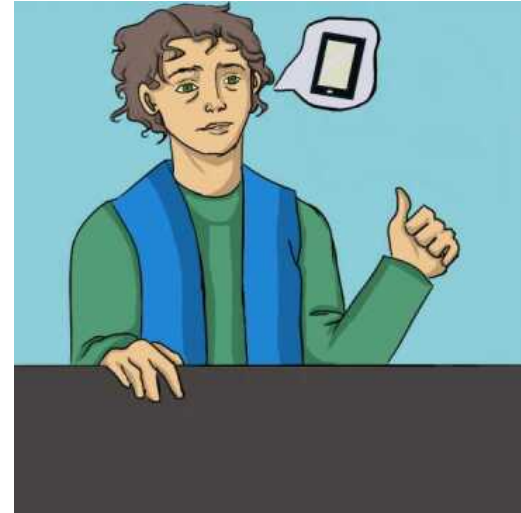

Vozi se do najbliže apoteke.

...

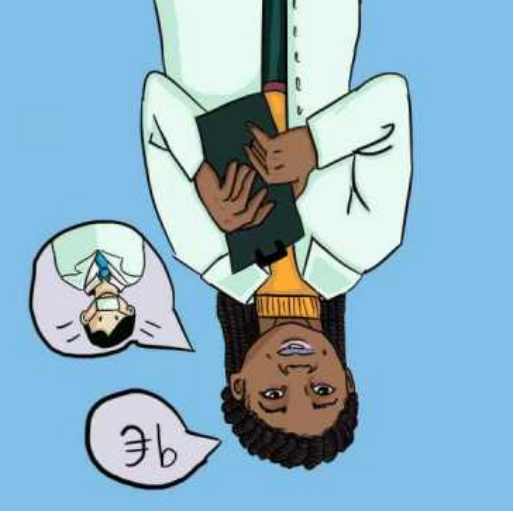

He drives to the nearest pharmacy.

“U redu, pozvaću svog zubara sutra
ujutro.”

...

“Okay, I will call my dentist tomorrow
morning.”

“Koštaju devet evra. Ali trebalo bi da odete kod zubara.”

...

“They cost nine euros. But you should see a dentist.”

“Imam zubobolju”, on kaže. “Imate li šta za to?”

...

“I have a toothache,” he says. “Do you have anything for that?”

“Da, evo nekoliko lekova protiv bolova.
Za ove vam ne treba recept.”

...

“Yes, here are some painkillers. You
don't need a prescription for these.”

“Hvala. Koliko koštaju?”

...

“Thank you. How much do they cost?”
