Tom ima zubobolju. Zub ga baš jako boli.

...

Tom has a toothache. His tooth hurts very much.

Mora da ode kod svog zubara, ali prvo mu treba nešto protiv bolova.

...

He needs to see his dentist, but first he needs something for the pain.

Vozi se do najbliže apoteke.

...

He drives to the nearest pharmacy.

“Imam zubobolju”, on kaže. “Imate li šta za to?”

...

“I have a toothache,” he says. “Do you have anything for that?”

“Da, evo nekoliko lekova protiv bolova. Za ove vam ne treba recept.”

...

“Yes, here are some painkillers. You don't need a prescription for these.”

“Hvala. Koliko koštaju?”

...

“Thank you. How much do they cost?”

“Koštaju devet evra. Ali trebalo bi da odete kod zubara.”

...

“They cost nine euros. But you should see a dentist.”

“U redu, pozvaću svog zubara sutra ujutro.”

...

“Okay, I will call my dentist tomorrow morning.”

“Ako vam treba jači lek, moraćete da dobijete recept od vašeg stomatologa ili lekara.”

...

“If you need stronger medicine, you will need to get a prescription from your dentist or doctor.”

“Hvala vam! Doviđenja.”

...

“Thank you! Goodbye.”
