Tom has a toothache. His tooth hurts very much.

...

Tom har tannpine. Han har veldig vondt i en tann.

"Thank you! Goodbye."

...

«Tusen takk! Ha det.»

He needs to see his dentist, but first he
needs something for the pain.

...

Han må gå til tannlegen, men først
trenger han noe for å dempe smertene.

"If you need stronger medicine, you will
need to get a prescription from your
dentist or doctor."

...

«Hvis du trenger sterkere medisin, må
du ha en resept fra tannlegen eller
legen din.»

He drives to the nearest pharmacy.

...

Han kjører til nærmeste apotek.

“Okay, I will call my dentist tomorrow morning.”

...

«OK, jeg skal ringe tannlegen i morgen tidlig.»

“I have a toothache,” he says. “Do you have anything for that?”

...

«Jeg har tannpine», sier han. «Har du noe for det?»

“They cost nine euros. But you should see a dentist.”

...

«De koster ni euro. Men du bør gå til tannlegen.»

"Yes, here are some painkillers. You don't need a prescription for these."

...

«Ja, her er noen smertestillende tabletter. Du trenger ikke resept for disse.»

"Thank you. How much do they cost?"

...

«Tusen takk. Hvor mye koster de?»
