Ali's shirt is old. He needs a new one.

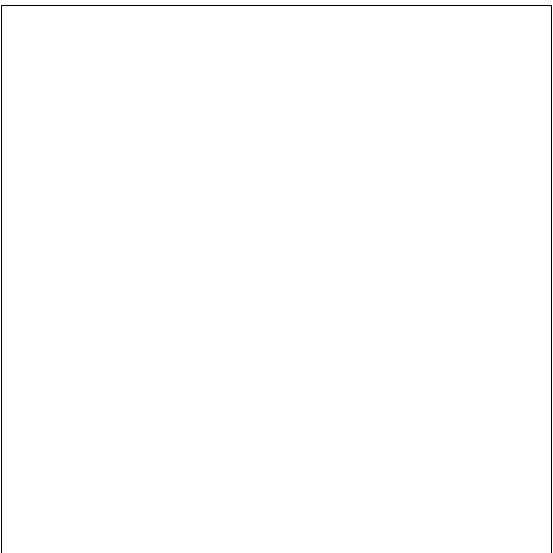

...

Skjorta til Ali er gammel. Han trenger en ny.

He goes to the shopping mall to look for new clothes.

...

Han drar til kjøpesenteret for å se etter nye klær.

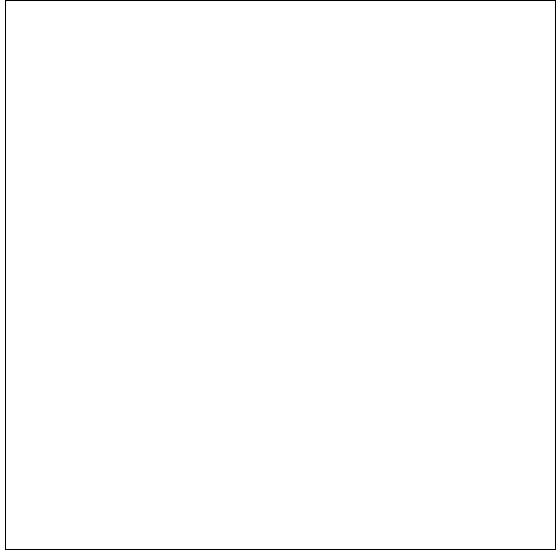

In the shopping mall he cannot find the clothing store.

...

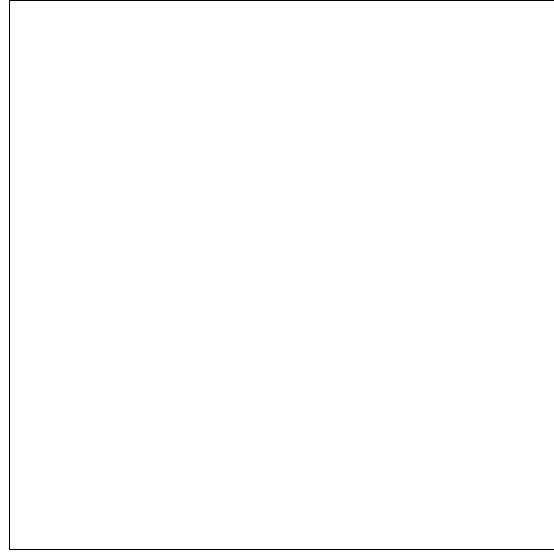

På kjøpesenteret finner han ikke klesbutikken.

He goes into a shop to ask for directions.  
"Where can I buy clothes?" he asks.

...

Han går til en annen butikk for å spørre om  
veien. «Hvor kan jeg kjøpe klær?» spør han.

He buys a new pair of trousers instead because  
they are on sale. He decides he will buy a shirt  
next month when he gets his salary.

...

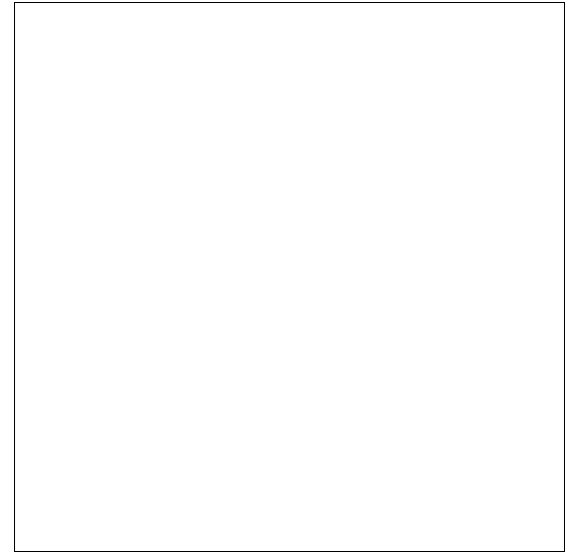

Han kjøper en ny bukse i stedet fordi den er på  
tilbud. Han bestemmer seg for å kjøpe en  
skjorte neste måned når han får lønn.

The shopkeeper points to the other side of the mall. The clothing store is on the opposite side!

...

Butikkmedarbeideren peker på den andre siden av kjøpesenteret. Klesbutikken er på motsatt side!

Ali goes in and looks for a shirt. The shirts are too big for him, and quite expensive.

...

Ali går inn og leter etter en skjorte. Skjortene er for store for ham, og ganske dyre.
