“The days are starting to get cold. What is the temperature?”

...

«Det begynner å bli kaldt nå om dagen. Hvor mange grader er det?»

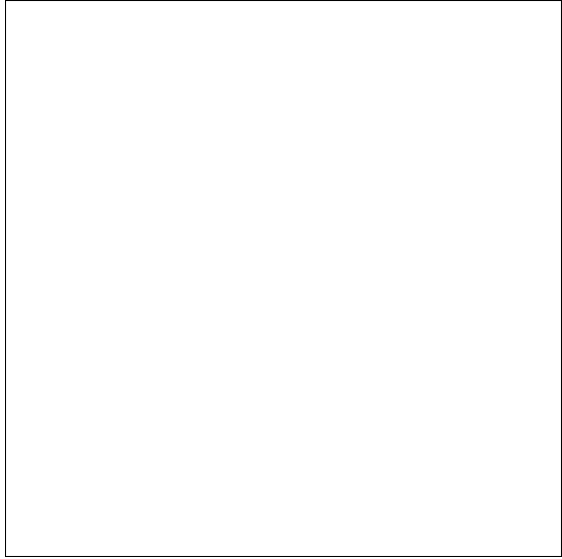

“I hope not. I really don’t like bad weather, especially thunder and lightning. I’m afraid the lightning might strike me.”

...

«Jeg håper ikke det. Jeg liker virkelig ikke uvær, spesielt torden og lyn. Jeg er redd lynet skal treffe meg.»

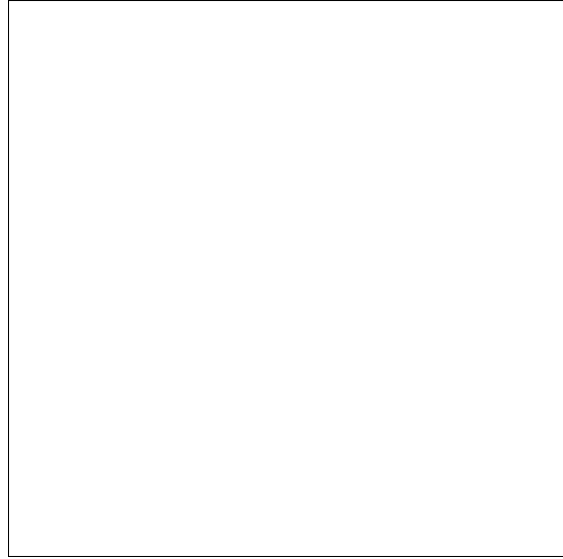

“It’s nine degrees. It’s still autumn, but soon it will be winter.”
 ...

«Det er ni grader. Det er fortsatt høst, men snart kommer vinteren.»

“Look at those dark clouds. Tomorrow it will rain. It will be very windy too. Perhaps there will be a storm.”
 ...

«Se på de mørke skyene. I morgen blir det regn. Det skal blåse mye også. Kanskje det blir storm.»

"I'm looking forward to spring, but I prefer summer, when it's nice and warm."

...

«Jeg gleder meg til våren, men jeg foretrekker sommeren, når det er godt og varmt.»

"I don't mind the cold. It's the rain and wind I don't like."

...

«Jeg har ikke noe imot kulden. Det er regnet og vinden jeg ikke liker.»
