Ali's shirt is old. He needs a new one.

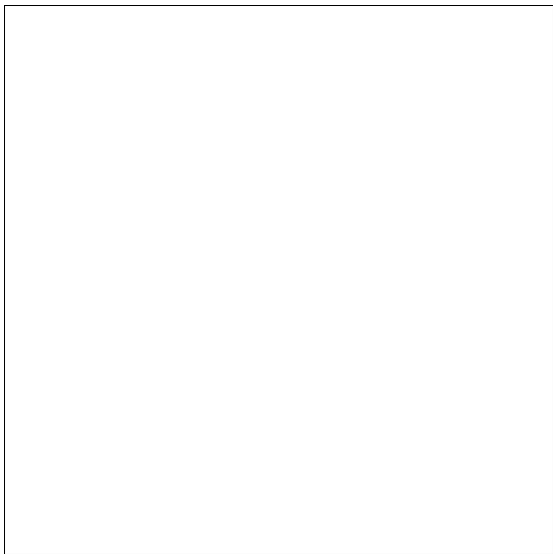

...

Skjorta til Ali er gammel. Han treng ei ny.

He goes to the shopping mall to look for new clothes.

...

Han drar til kjøpesenteret for å sjå etter nye klede.

In the shopping mall he cannot find the clothing store.

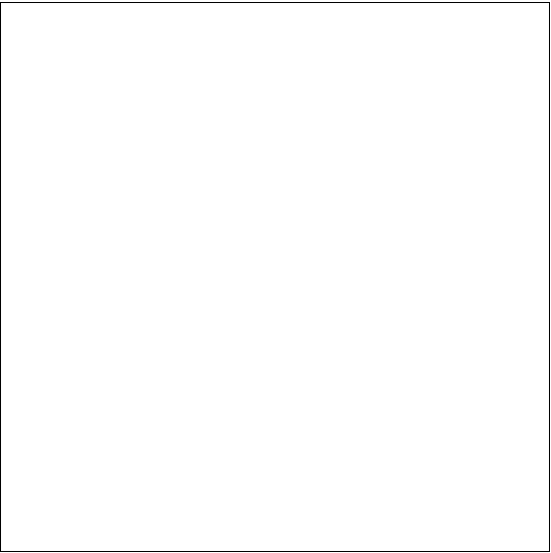

...

På kjøpesenteret finn han ikkje klesbutikken.

Han går til ein annan butikk for å spørje om vegen. «Kvar kan eg kjøpe klede?» spør han.

...

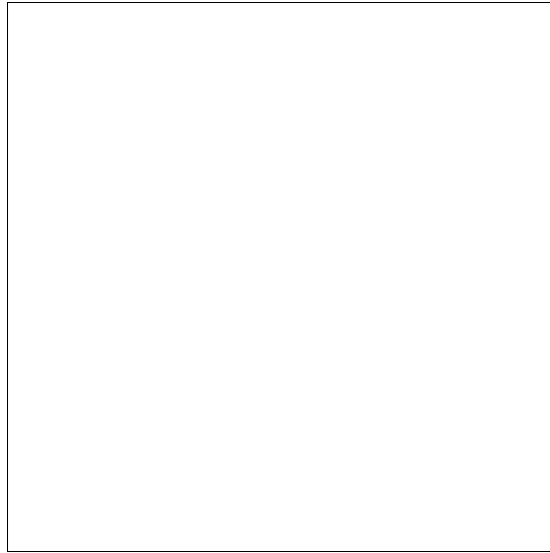

He goes into a shop to ask for directions. "Where can I buy clothes?" he asks.

Han kjøper ei ny bukse i staden fordi ho er på tilbod. Han bestemmer seg for å kjøpe ei skjorte neste månad når han får lønn.

...

He buys a new pair of trousers instead because they are on sale. He decides he will buy a shirt next month when he gets his salary.

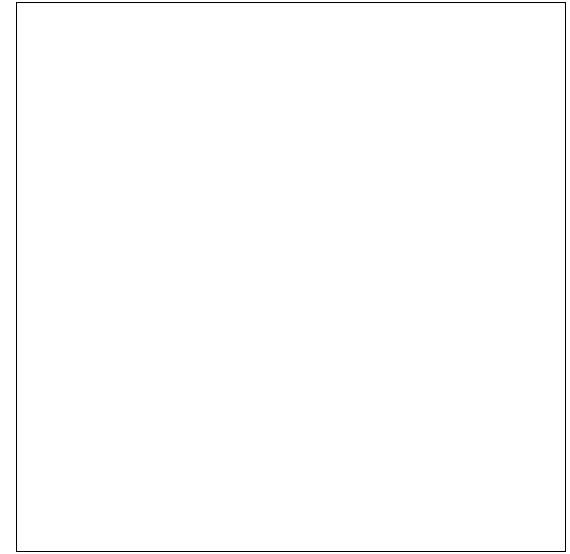

The shopkeeper points to the other side of the mall. The clothing store is on the opposite side!

...

Butikkmedarbeidaren peikar på den andre sida av kjøpesenteret. Klesbutikken er på motsett side!

Ali goes in and looks for a shirt. The shirts are too big for him, and quite expensive.

...

Ali går inn og leitar etter ei skjorte. Skjortene er for store for han, og ganske dyre.
