🗨️ српскохрватски / English [en](#)

“Dani postaju hladniji. Koja je temperatura?”

...

“The days are starting to get cold. What is the temperature?”

“Nadam se da neće. Stvarno ne volim loše vreme, a naročito grmljavinu i munje. Plašim se da me ne udari grom.”

...

“I hope not. I really don't like bad weather, especially thunder and lightning. I'm afraid the lightning might strike me.”

“Devet je stepeni. Još je jesen, ali uskoro  
će zima.”

...

“It's nine degrees. It's still autumn, but  
soon it will be winter.”

“Pogledaj te tamne oblake. Sutra će  
padati kiša. Biće i jako vetrovito. Možda  
će biti oluje.”

...

“Look at those dark clouds. Tomorrow it  
will rain. It will be very windy too.  
Perhaps there will be a storm.”

“Radujem se proleću, ali više volim leto, kada je lepo i toplo.”

...

“I’m looking forward to spring, but I prefer summer, when it’s nice and warm.”

“Meni ne smeta hladnoća, ne volim kišu i vetar.”

...

“I don’t mind the cold. It’s the rain and wind I don’t like.”
