Tom ima zubobolju. Zub ga baš jako boli.

...

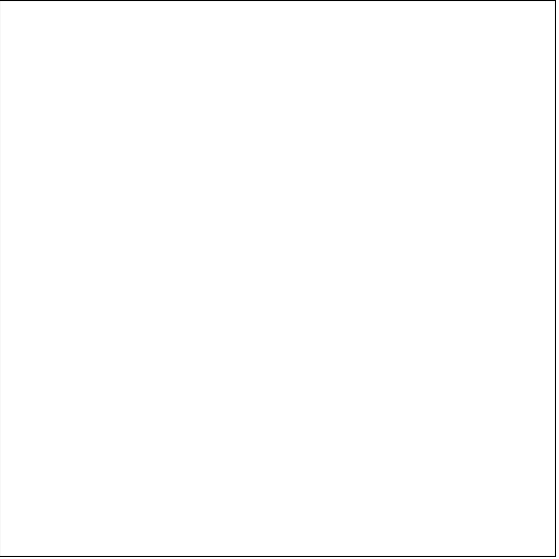

Tom ha mal di denti. Un dente gli fa molto male.

“Hvala vam! Doviđenja.”

...

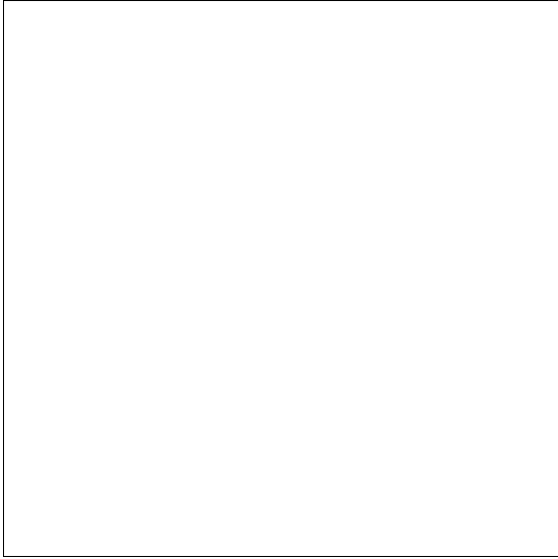

“Grazie! Arrivederci.”

Mora da ode kod svog zubara, ali prvo
mu treba nešto protiv bolova.

...

Deve andare dal dentista, ma prima gli
occorre qualcosa per il dolore.

“Ako vam treba jači lek, moraćete da
dobijete recept od vašeg stomatologa ili
lekara.”

...

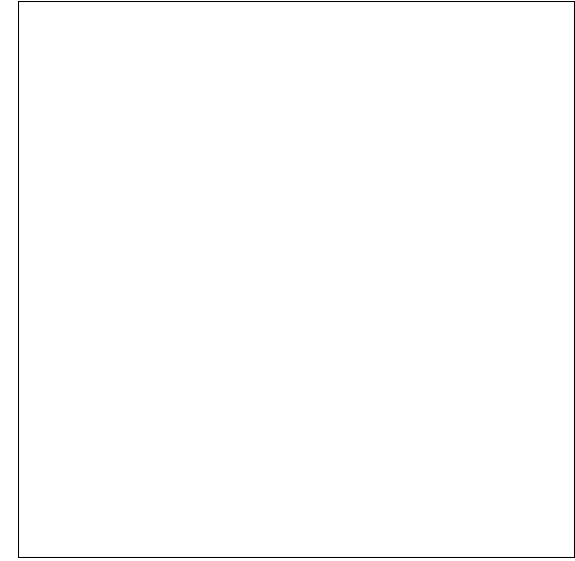

“Se hai bisogno di medicine più forti, ti
occorre la prescrizione del tuo dentista
o dottore.”

Vozi se do najbliže apoteke.

...

Guida fino alla farmacia più vicina.

“U redu, pozvaću svog zubara sutra
ujutro.”

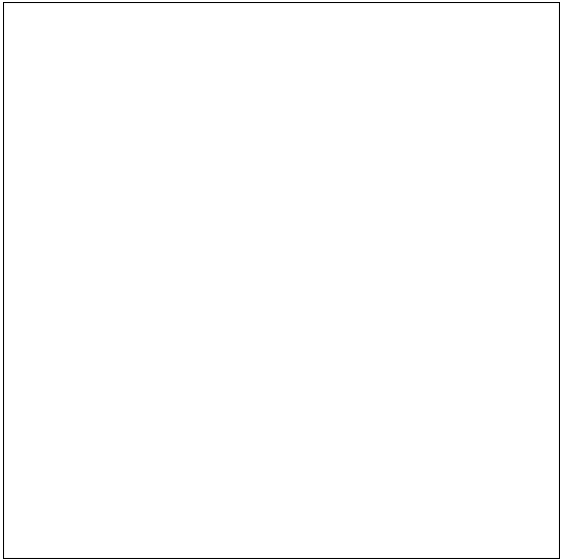

...

“Okay, chiamerò il mio dentista
domani.”

“Imam zubobolju”, on kaže. “Imate li šta za to?”

...

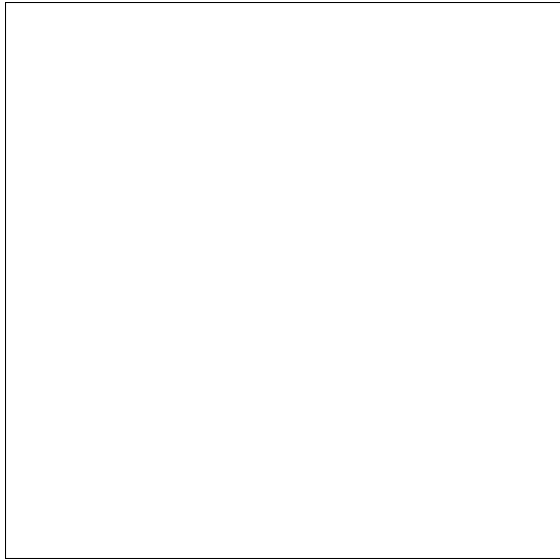

“Ho mal di denti,” dice. “Avete qualcosa per il dolore?”

“Koštaju devet evra. Ali trebalo bi da odete kod zubara.”

...

“Costano nove euro. Però dovesti andare da un dentista.”

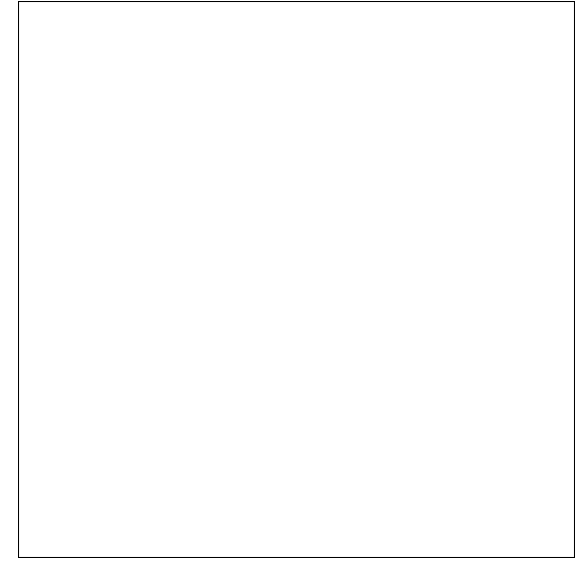

“Da, evo nekoliko lekova protiv bolova.
Za ove vam ne treba recept.”

...

“Sì, ecco degli antidolorifici. Non c'è
bisogno di ricetta medica per
comprarli.”

“Hvala. Koliko koštaju?”

...

“Grazie. Quanto costano?”
