Tom are o durere de dinți. Îl doare foarte tare dintele.

...

Tom has a toothache. His tooth hurts very much.

“Mulțumesc! La revedere.”

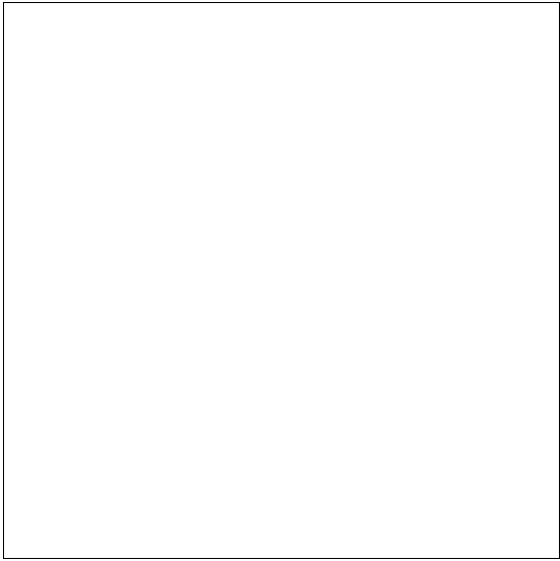

...

“Thank you! Goodbye.”

"If you need stronger medicine, you will need to get a prescription from your dentist or doctor."

...

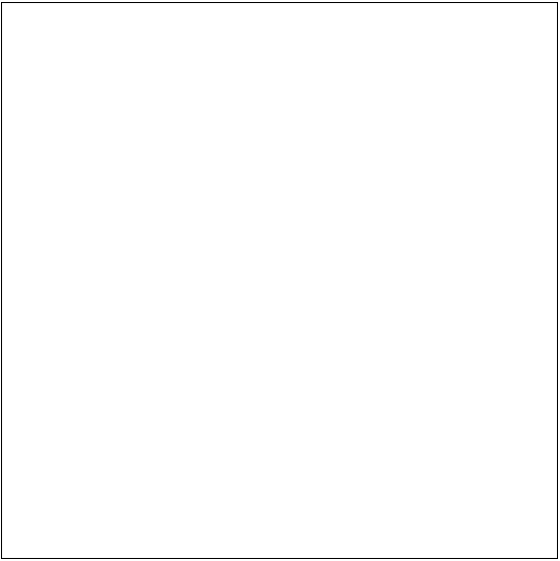

"Dacă ai nevoie de un medicament mai puternic, va trebui să obții o rețetă de la dentistul sau medicul tău."

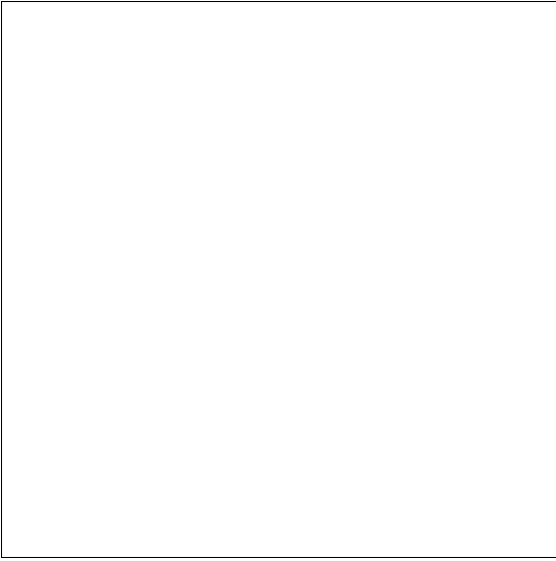

He needs to see his dentist, but first he needs something for the pain.

...

Trebuie să meargă la medicul dentist, dar mai întâi are nevoie de ceva pentru durere.

El conduce până la cea mai apropiată farmacie.

...

He drives to the nearest pharmacy.

“Bine, îmi voi suna dentistul mâine dimineață.”

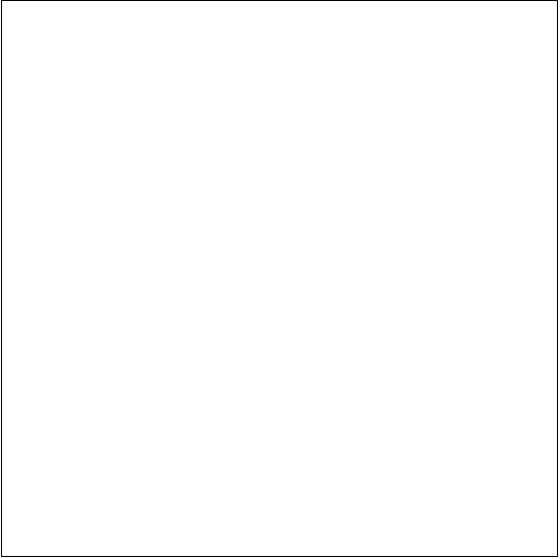

...

“Okay, I will call my dentist tomorrow morning.”

“Am o durere de dinți,” spune el. “Aveți
ceva pentru asta?”

...

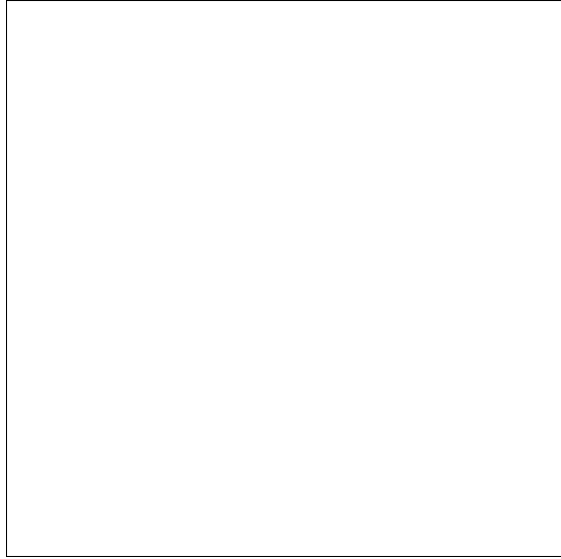

“I have a toothache,” he says. “Do you
have anything for that?”

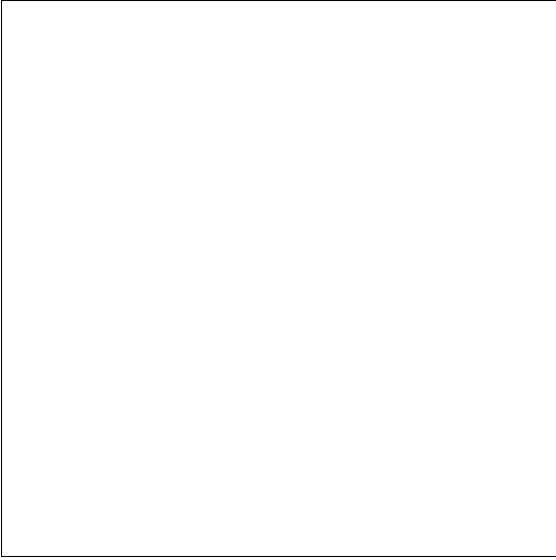

“Sunt nouă euro. Dar ar trebui să mergi
la un dentist.”

...

“They cost nine euros. But you should
see a dentist.”

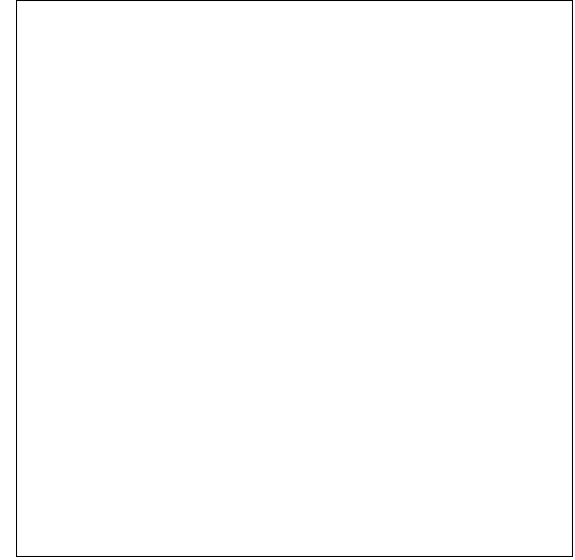

“Da, avem niște calmante. Nu aveți nevoie de rețetă pentru ele.”

...

“Yes, here are some painkillers. You don’t need a prescription for these.”

“Mulțumesc. Cât costă?”

...

“Thank you. How much do they cost?”
