“Tu ai familie?”

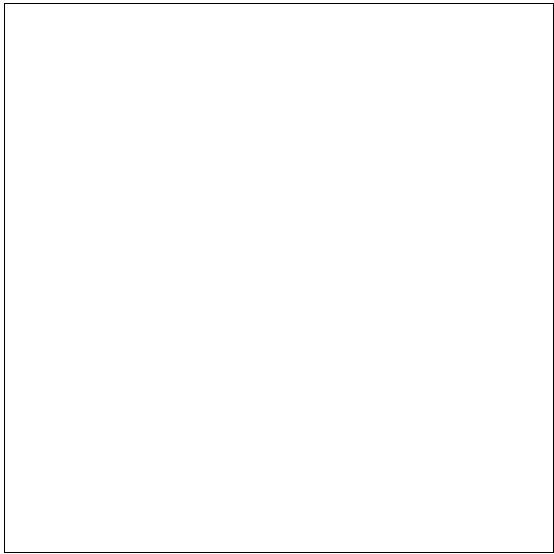

...

“Do you have any family?”

"Yes, my husband and I have two daughters and a son."

"Da, eu și soțul meu avem două fiice și un fiu."

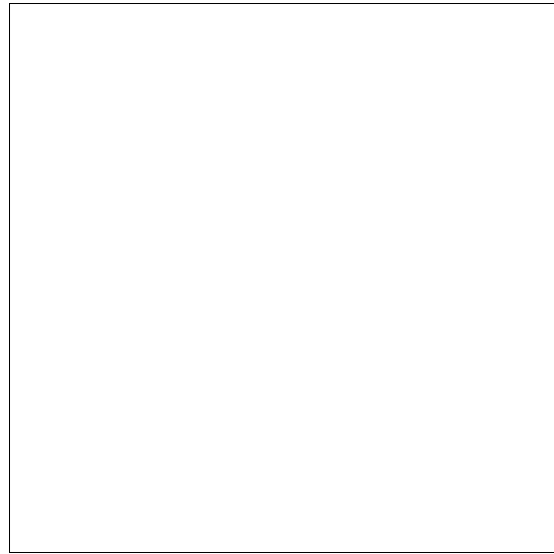

...

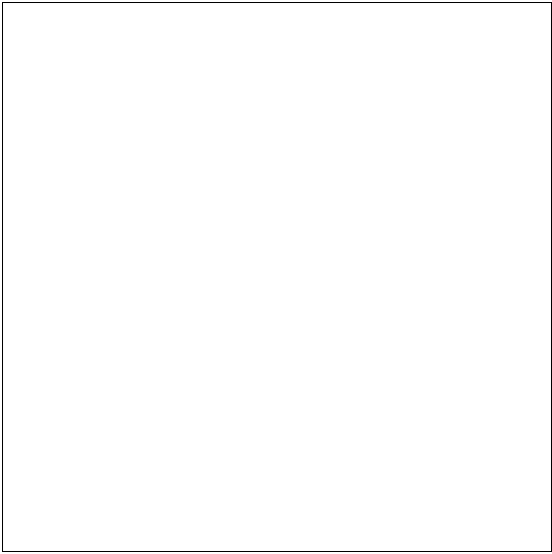

"That's a good idea. I also hope my children will go to university someday."

...

"E o idee bună. Sper ca și copiii mei să meargă la facultate într-o zi."

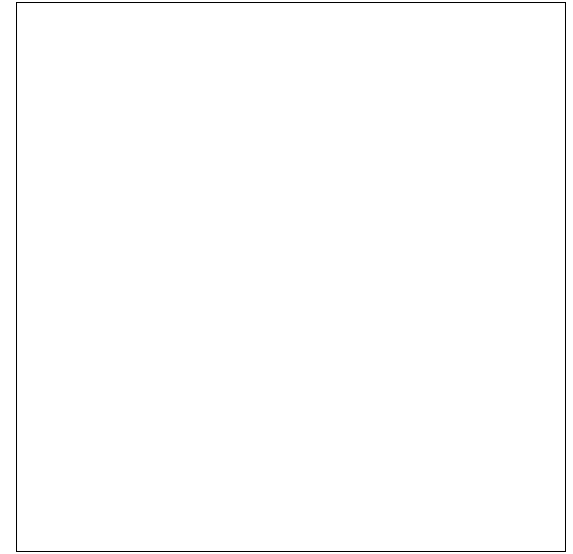

“Și eu am două fiice, dar sunt divorțată.”

...

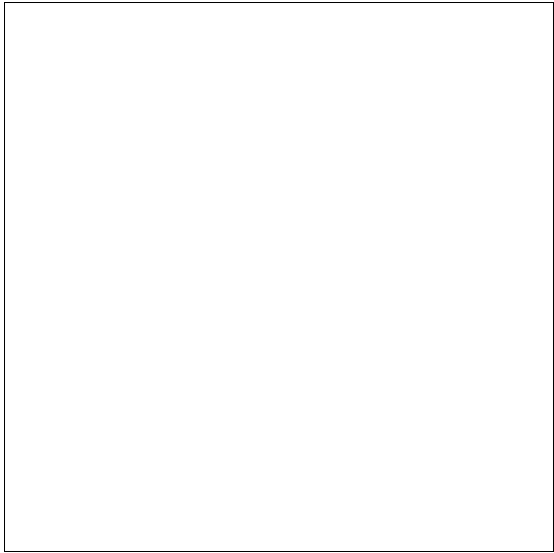

“I also have two daughters, but I’m divorced.”

“El vrea să se angajeze, dar eu îi spun că ar
trebui să meargă la facultate.”

...

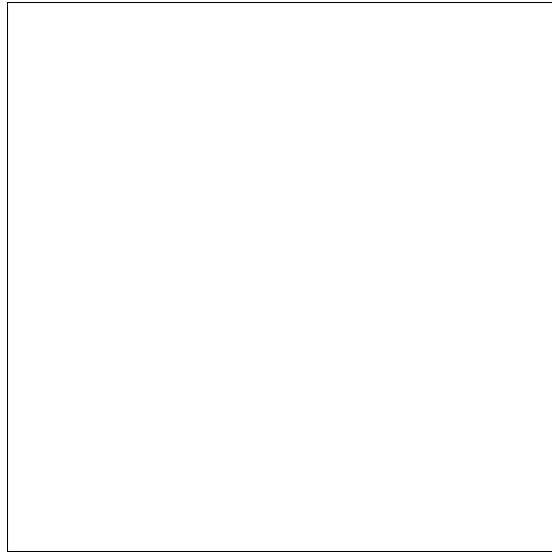

“He wants to get a job, but I tell him he should
go to university instead.”

„Câți ani au fiicele tale?”

...

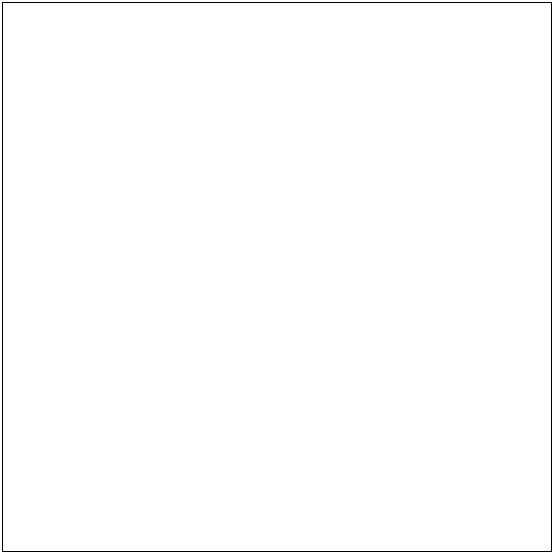

„How old are your daughters?”

„E grozavi! Cresc atât de repede. Ce vrea să facă după aceea?”

...

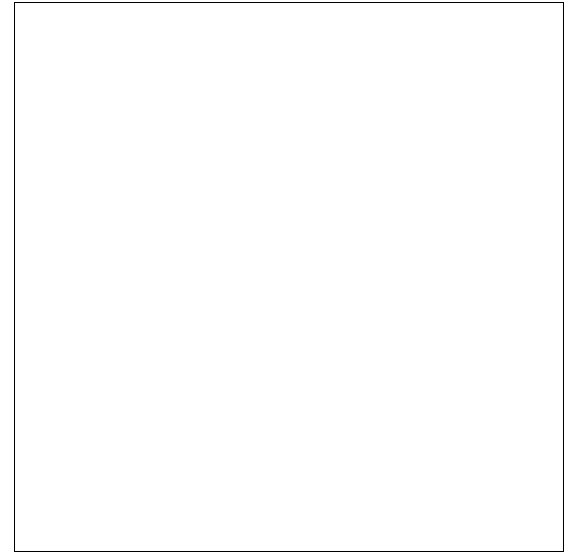

„That is great! They grow up so fast. What does he want to do afterwards?”

“Mina are patru ani. Ea merge la grădiniță.
Miriam are zece ani, deci ea merge la școală.”

...

“Mina is four years old. She goes to preschool.
Miriam is ten, so she goes to school.”

“Toți copiii mei merg la școală. Fiul meu va
absolvi anul viitor.”

...

“All of my children are in school. My son will
graduate next year.”
