“Zilele încep să se răcească. Ce temperatură este?”

...

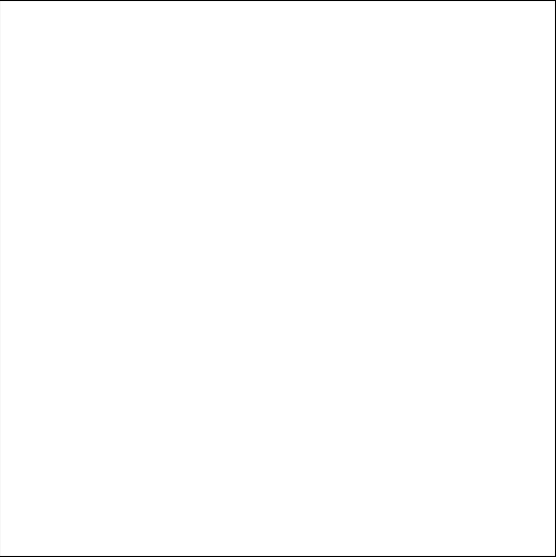

“The days are starting to get cold. What is the temperature?”

“Eu sper că nu. Chiar nu-mi place vremea rea, mai ales tunetele și fulgerele. Mi-e teamă că fulgerul ar putea să mă lovească.”

...

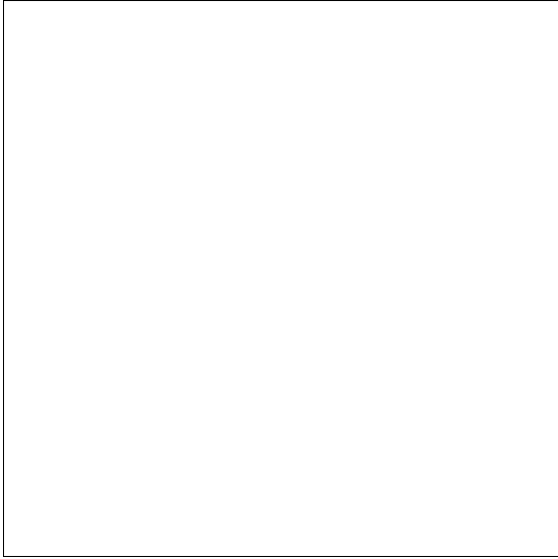

“I hope not. I really don't like bad weather, especially thunder and lightning. I'm afraid the lightning might strike me.”

“Sunt nouă grade. E încă toamnă, dar în curând va fi iarnă.”

...

“It’s nine degrees. It’s still autumn, but soon it will be winter.”

“Uită-te la norii aceia întunecați. Măine va ploua. Va bate tare și vântul. Poate că va fi furtună.”

...

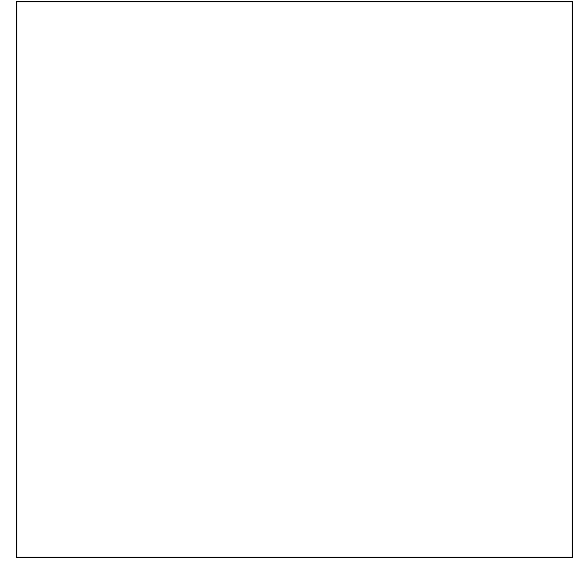

“Look at those dark clouds. Tomorrow it will rain. It will be very windy too. Perhaps there will be a storm.”

“Aștept cu nerăbdare primăvara, dar prefer vara, când e frumos și cald.”

...

“I’m looking forward to spring, but I prefer summer, when it’s nice and warm.”

“Nu mă deranjează frigul. Ploaia și vântul nu-mi plac.”

...

“I don’t mind the cold. It’s the rain and wind I don’t like.”
