Tom has a toothache. His tooth hurts very much.

...

Tom har tannpine. Han har veldig vondt i en tann.

He needs to see his dentist, but first he needs something for the pain.

...

Han må gå til tannlegen, men først trenger han noe for å dempe smertene.

He drives to the nearest pharmacy.

...

Han kjører til nærmeste apotek.

“I have a toothache,” he says. “Do you have anything for that?”

...

«Jeg har tannpine», sier han. «Har du noe for det?»

“Yes, here are some painkillers. You don’t need a prescription for these.”

...

«Ja, her er noen smertestillende tabletter. Du trenger ikke resept for disse.»

“Thank you. How much do they cost?”

...

«Tusen takk. Hvor mye koster de?»

“They cost nine euros. But you should see a dentist.”

...

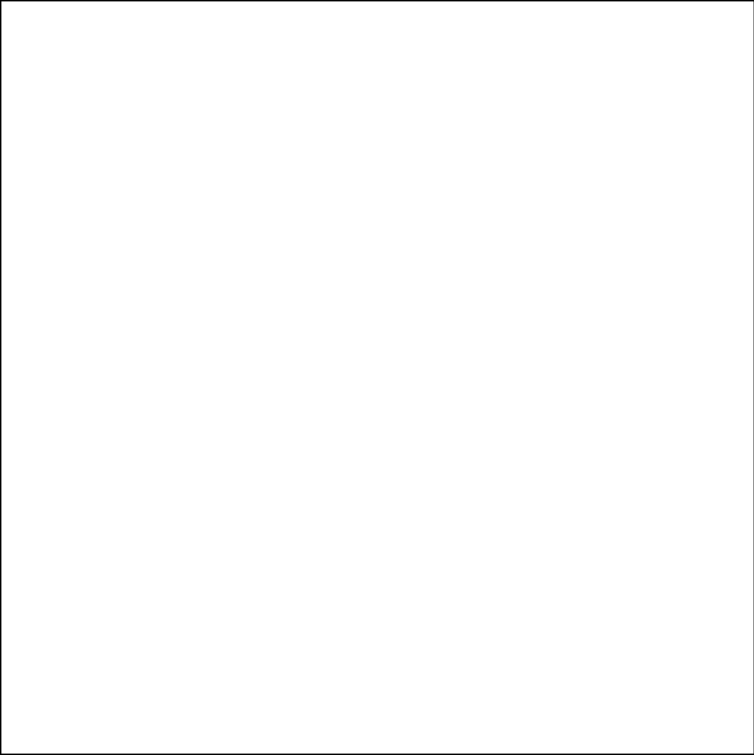

«De koster ni euro. Men du bør gå til tannlegen.»

“Okay, I will call my dentist tomorrow morning.”

...

«OK, jeg skal ringe tannlegen i morgen tidlig.»

“If you need stronger medicine, you will need to get a prescription from your dentist or doctor.”

...

«Hvis du trenger sterkere medisin, må du ha en resept fra tannlegen eller legen din.»

“Thank you! Goodbye.”

...

«Tusen takk! Ha det.»
