Tom has a toothache. His tooth hurts very much.

...

Tom har tannpine. Han har veldig vondt i ei tann.

He needs to see his dentist, but first he needs something for the pain.

...

Han må gå til tannlegen, men først treng han noko for å dempe smertene.

He drives to the nearest pharmacy.

...

Han kører til næreste apotek.

“I have a toothache,” he says. “Do you have anything for that?”

...

«Eg har tannpine», seier han. «Har du noko for det?»

“Yes, here are some painkillers. You don’t need a prescription for these.”

...

«Ja, her er nokre smertestillande tablettar. Du treng ikkje resept for desse.»

“Thank you. How much do they cost?”

...

«Tusen takk. Kor mykje kostar dei?»

“They cost nine euros. But you should see a dentist.”

...

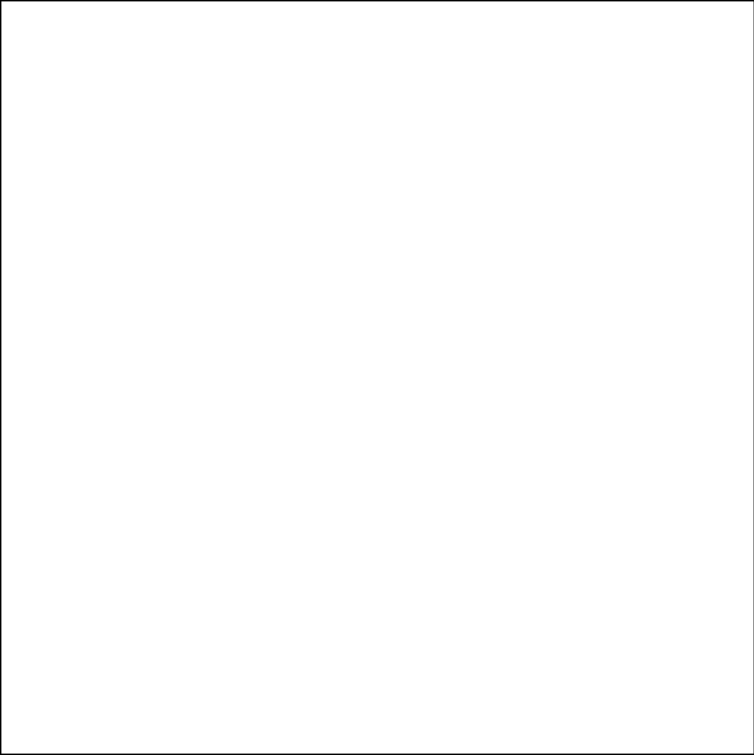

«Dei kostar ni euro. Men du bør gå til tannlegen.»

“Okay, I will call my dentist tomorrow morning.”

...

«OK, eg skal ringe tannlegen i morgon tidleg.»

“If you need stronger medicine, you will need to get a prescription from your dentist or doctor.”

...

«Viss du treng sterkare medisin, må du ha ein resept frå tannlegen eller legen din.»

“Thank you! Goodbye.”

...

«Tusen takk! Ha det.»
