Navê min Malik e û ez 39 salî me. Ez li
Afxanistanê hatime dinyayê. Ola min ji ola
sereke ya Afxanistanê cuda ye.

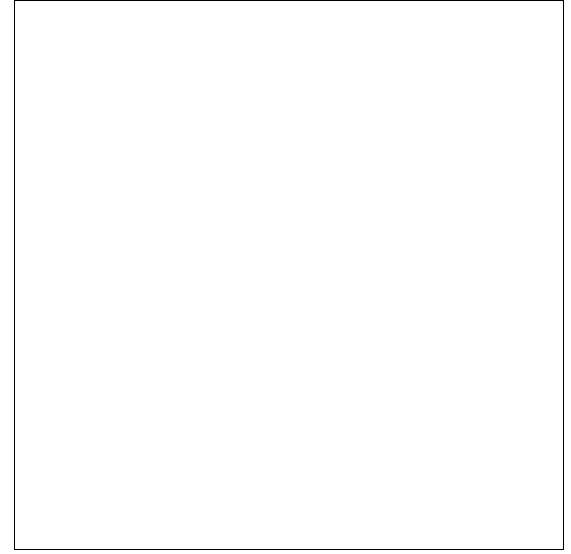

Gelek salan mirovên ku ji ola min; dihatin
gewisandin. Ev ji bo malbata min pir
zehmet bû.

Ez hêvi dikim ku rojêkê vegerim
Afghanistanê. Gelek kesên li wir hewcedarê
alîkariyê ne û ez dixwazim alîkariya wan
bikim.

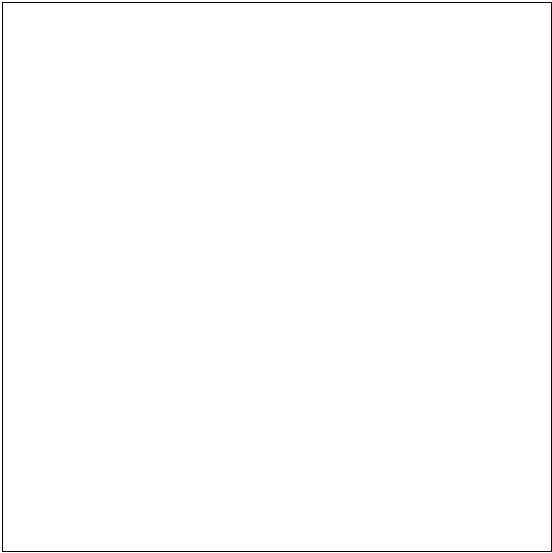

Çend sal berê li welatê min şer hebû. Ez ditirsiyam ku ez bê m kuştin. Min malbata xwe li wir hêla û ez çûm Ewropayê û min dest bi jiyaneke nû kir.

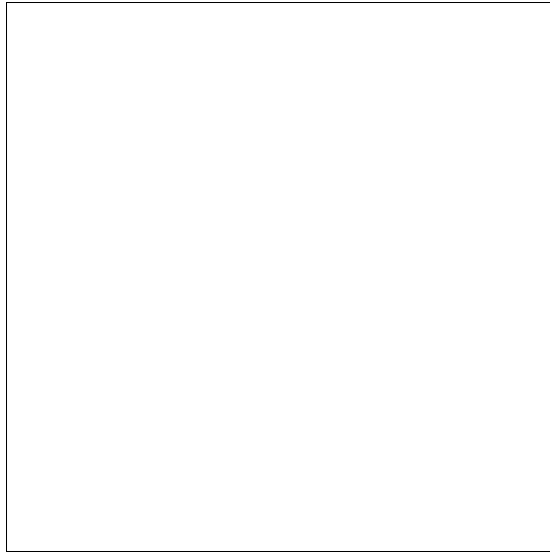

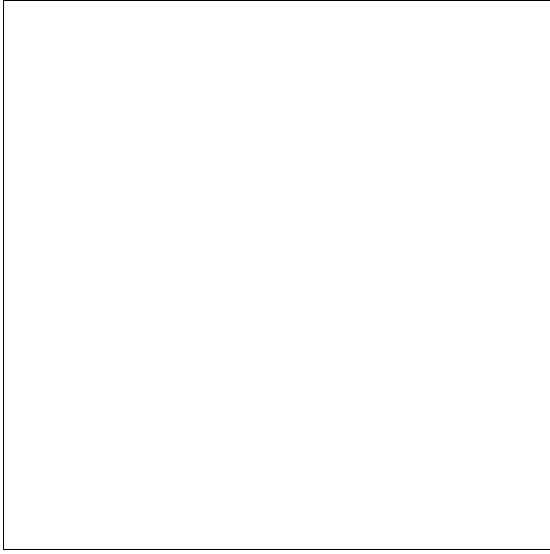

Piştî xwendinê min dest bi xebatê kir. Pêşî ez li xwaringehê xebitîm, paşê ez bûm mamoste ji ber ku min dixwest alîkariya kesên din bikim.

Min gelek kilometre li ser piyan derbas kir.
Carinan cihê ku ez lê biminim û xwarin
tunebû. Hin kesên ku ez pê re geriyam
mîrin.

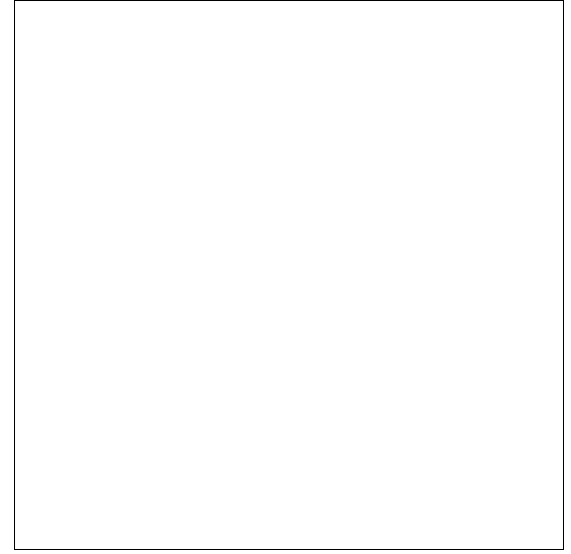

Di destpêkê de ji bo fêrbûna ziman min
gênd salan xwend. Zehmet bû, lê ez ji
fêrbûna tiştên nû kêfxweş dibim.

Di dawiyê de ez gihîştim. Min hin kesên ji welatê xwe dît in ku alîkariya min kirin. Ez nizanim bêyî wan min ê çî bikira.

Min dest bi fêrbûna ziman kir, lê zehmet bû. Min dizanibû ku ji bo bidestxistina kar, axaftina zimanekî girîng bû.
