Agiye mu isoko gushaka imyenda  
mishya.

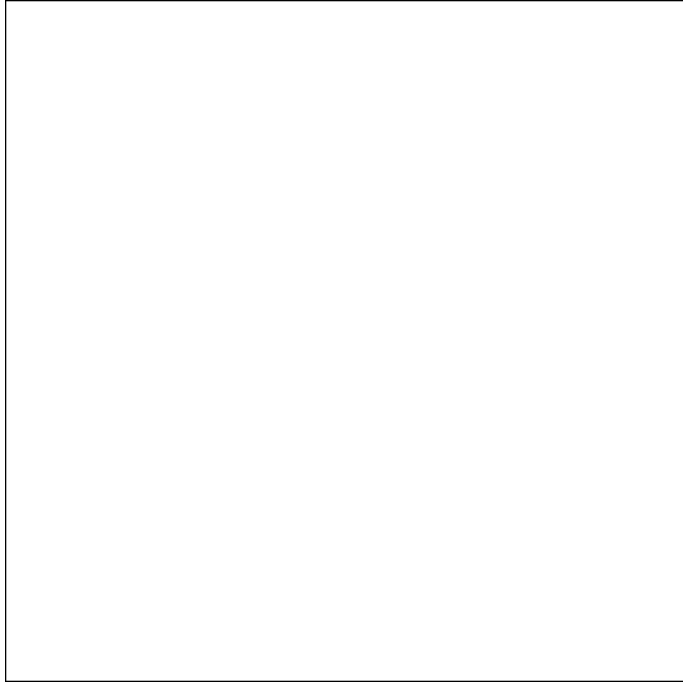

Ageze mu isoko abura aho iduka  
ry'imyenda riherereye.

Yinjaye mu iduka kubaza aho ari ho.  
Arabajije ati: "Ni he nagurira  
imyenda?"

Ahubwo yigurije amapataro kubera  
ko bari barimo kuyateza. Afashe  
umwanzuro wo kuzagura ishati mu  
kwezi gutaha yahembwe.

Umucuruzi amweretse ku rundi ruhande rw'isoko. Iduka ry'imyenda riri ku rundi ruhande!

Ali arinjiye maze atangira gushaka ishata. Amashata ni manini kuri we, kandi arahenze cyane.
