Magacaygu waa Malik, oo waxaan ahay 39 jir. Waxaanna ku dhashay Afghanistan. Diintaydu way ka duwan tahay diinta ugu weyn ee Afghanistan.

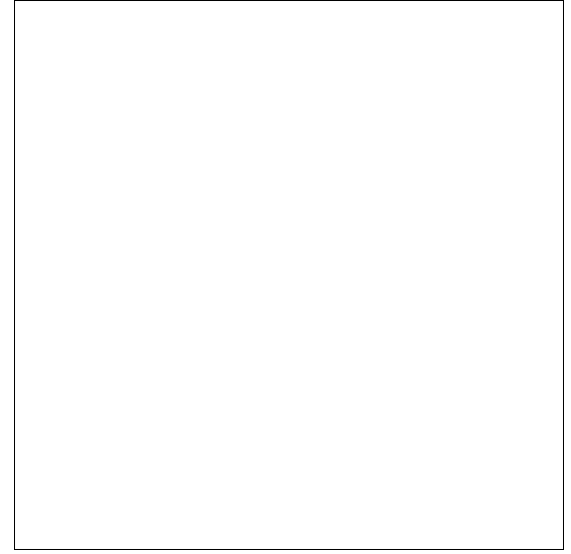

Sannado badan, dadka diintayda haysta
waa la silciyey. Tani aad bay ugu adkayd
qoyskayga.

Waxaan rajeynayaa inaan maalin ku laabto
Afghanistan. Dad badan oo halkaas jooga
ayaa u baahan caawimo, waxaana rabaa
inaan caawiyo.

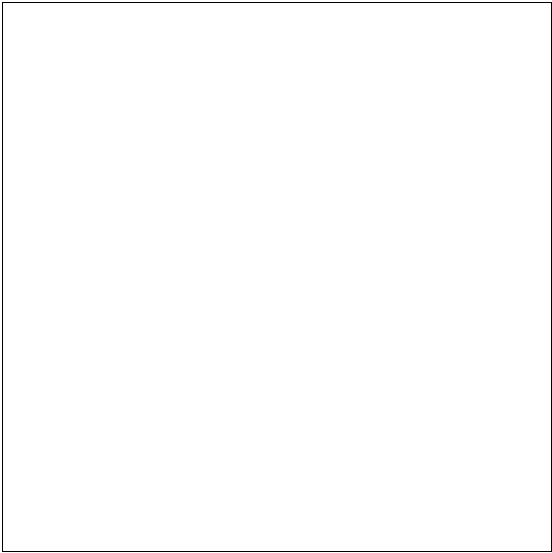

Dhowr sanno ka hor waxaa dhacay dagaal. Waxaanna ka baqay in la i dilo. Waxaan ka soo tagay qoyskeyga si aan u aado Yurub oo aan u bilaabo nolol cusub.

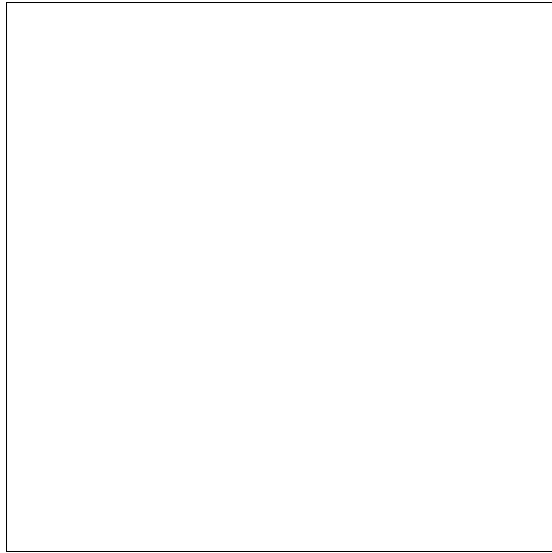

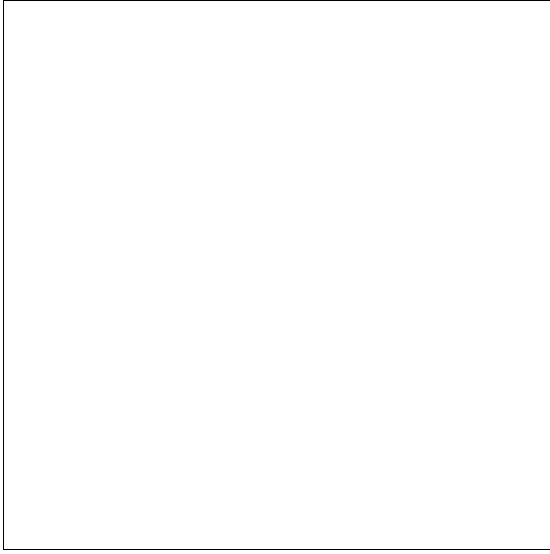

Waxbarashada ka dib waxaan bilaabay shaqo. Markii hore waxaan ka shaqeeyay makhaayad, ka dibna waxaan noqday macalin sababtoo ah waxaan rabaa inaan caawiyo dadka kale.

Waxaan u soo lugayay kilomitiro badan.
Mararka qarkood cunto ma haysan iyo
meel aan dego. Qaar ka mid ah dadkii aan
la soo safray way dhinteen.

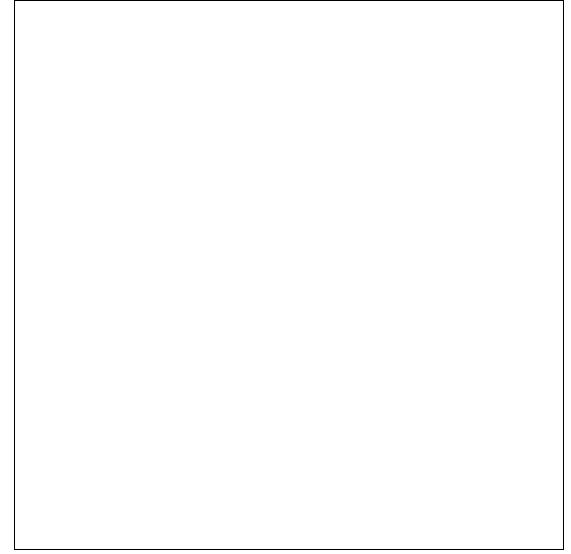

Waxaan baranaayey dhowr sanno, markii
ugu horeysay si aan u barto luqadda. Way
adkeed, laakiin waxaan ka helaa
barashada waxyaabaha cusub.

Ugu dambayntii waan imid. Waxaan la kulmay dad ka yimid waddankeyga oo i caawiyay. Ma garanayo waxa aan samayn lahaa la'aantood.

Waxaan bilaabay inaan luuqadda barto, laakiin way igu adkayd. Waxaan ogaa in ku hadalka luqadda ay muhiim u tahay in la helo shaqo.
