Shati la Ali limechakaa. Anahitaji
jingine jipya.

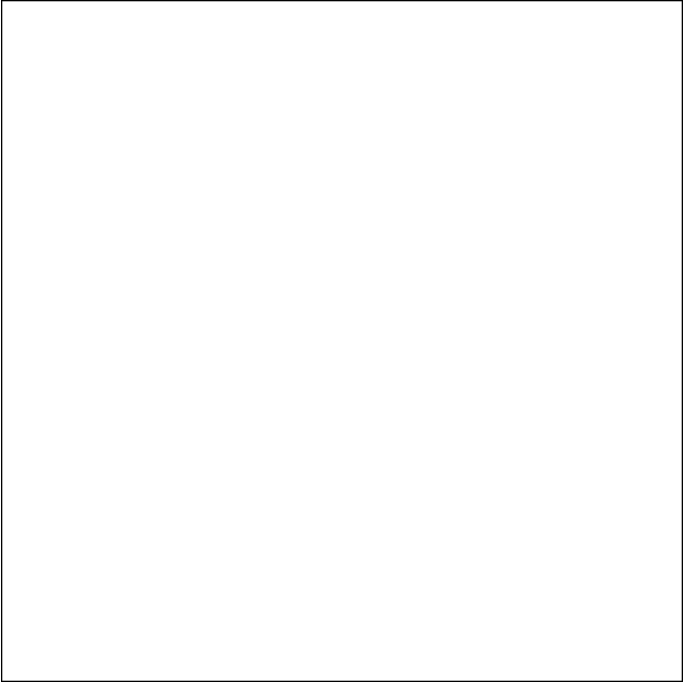

Anaenda madukani kununua ngu
mpya.

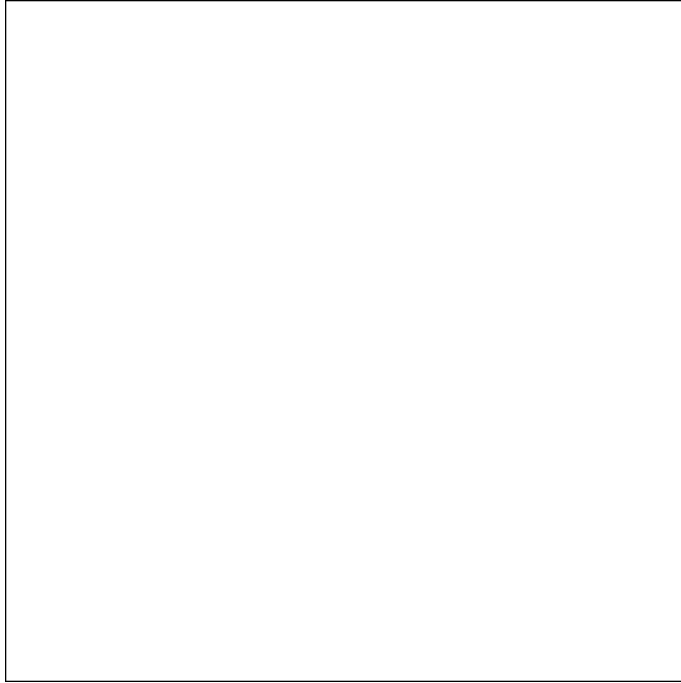

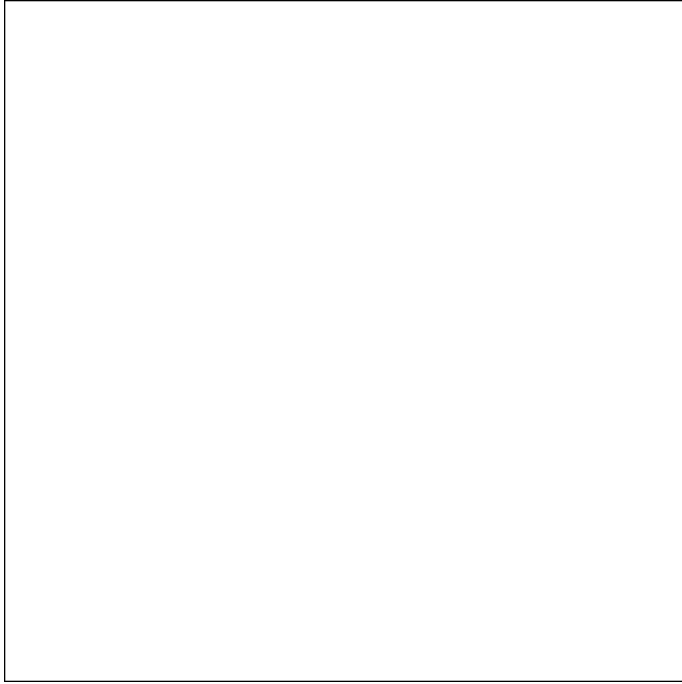

Akiwa madukani, haoni duka la
nguo.

Anaenda dukani kuulizia ulekeo.
“Wapi ninaweza kununua nguo?”
Anauliza.

Badala yake, ananunua suruali
mpya kwa sababu zinazwa.
Anaamua kwamba atanunua shati
mwezi ujao atakapopata mshahara
wake.

Muuzaji anaonyesha upande wa pili wa maduka. Duka la nguo lipo upande wa pili.

Ali anaingia na kuangalia mashati. Mashati ni makubwa mno kwake na ni ghali sana.
