“Mayroon ka bang pamilya?”

“Oo, mayroon akong asawa at dalawang anak na babae at isang anak na lalaki.”

“Magandang ideya iyan. Sana balang araw makapag-aral din ang mga anak ko sa unibersidad.”

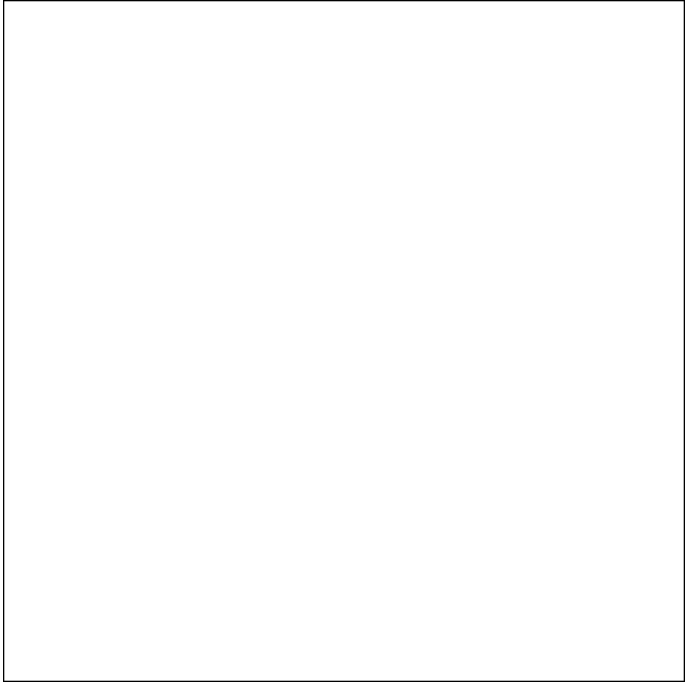

“Mayroon din akong dalawang anak na babae, ngunit ako ay divorced.”

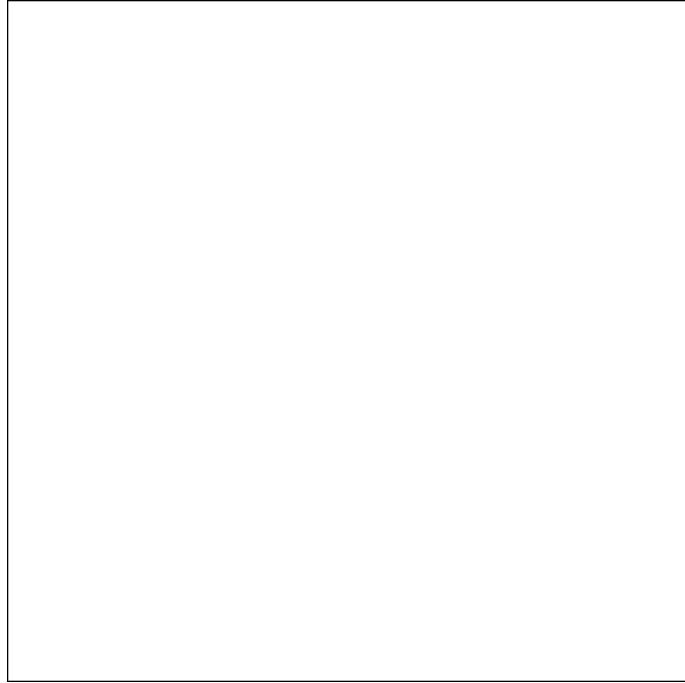

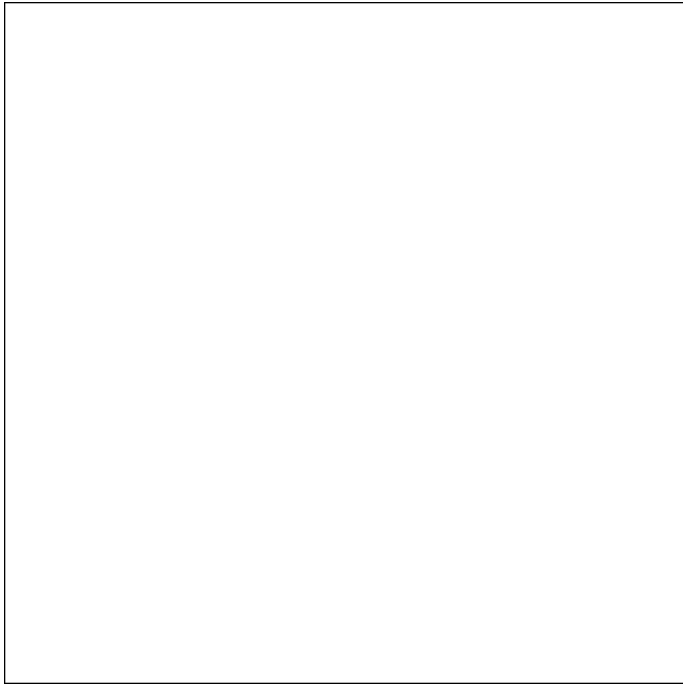

“Gusto niyang magtrabaho, pero ang sabi ko sa kaniya ay mag-aral siya sa unibersidad.”

“Ilang taon na ang iyong mga anak na babae?”

“Ang galing! Mabilis silang lumaki. Ano ba ang gusto niyang gawin pagkatapos?”

“Apat na taong gulang na si Mina. Pumapasok siya sa pre-school. Si Miriam ay sampung taong gulang, pumapasok siya sa paaralan.”

“Lahat ng aking mga anak ay pumapasok sa paaralan. Ang anak kong lalaki ay magtatapos na sa susunod na taon.”
