Shaamiziin Alii dulloomee jira. Haaraa isa barbaachisa.

Uffata haaraa barbaaduuf gara galma daldalaa deeme.

Galma daldalaa keessatti mana uffataa argachuu hin dandeenye.

Kallattii gaafachuuf suuqii tokkotti seene. “Uffata eessaa bitachuu danda’a?” jedhee gaafate.

Abbaan suuqii gara suuqii daldalaa gama biraa sanaatti akeeke. Manni uffataas gama faallaa irra jira!

Aliin seenee shaamizii barbaade. Shaamiziin isaaf baayyee guddaa dha, akkasumas baayyee qaalii dha.

Bakka isaas surreewwan lama haaraa gurgurtaarra jiru bite. Ji’a dhufu yeroo mindaa isaa argatu shaamizii akka bitatu murteesse.
