“Maalmuhu waxay ku bilaabmayaan inay qaboow noqdaan. Waa maxay heerkulka?”

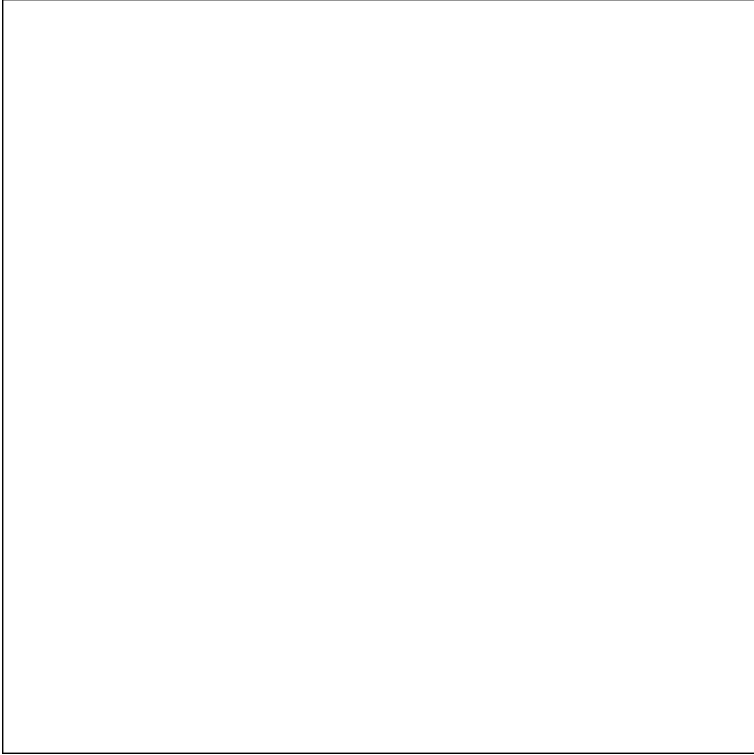

“Waa sagaal digrii, weli waa dayrtii, laakiin dhawaan waxay noqon doontaa jiilaal.”

“Waxaan sugi la’ahay guga, laakiin waxaan doorbidaa xagaaga, markay fiicantahay oo diirantahay.”

“Waxba kama qabo qabowga, laakin ma jecli roobka iyo dabaysha.”

“Bal eeg daruurahaas gudcurka ah, berito roob baa da’aya, oo weliba dabaylo badan baa iman doona. Waxaa laga yabaa inuu iman doono duufaan.”

“Ma filayo inay dhacdo. Runtii ma jecli cimilada xun, gaar ahaan guga iyo hillaaca. Waxaan ka baqayaa in hillaacu inuu igu dhaco.”
